Spirited Conversations

Spirited Conversations will once again meet this Thursday night, Aug 24, at 6:30 pm. As in the past, the discussion will be held at John Hartman and Michele Gersich's home.

This month the topic will be Kin. What makes someone our kin? How do we find the balance of a circle of trust and safety without excluding others? What does it mean to be in kinship at *our* community of faith? A guide to exploring these and other related questions is attached for you to ponder before we meet, just click on the link. You don't need to have attended this group before to join us and you can talk as much or as little as you feel comfortable. Come as you are and good company and delicious light snacks will be provided. Our get-together usually lasts about an hour and a half. Hope to see you there! Mark
