Change in Date and Location for Women's Group

Instead of meeting on their regular date, the women's group will be going to the River Rats Water Ski Show on **July 25**. Located on the Mississippi River in northeast Minneapolis, this free show is an hour long, combining various water skiing acts with skits and music. The address is **1758 West River Road North** in Minneapolis. Park on the West River Road south of Broadway Avenue. Make sure you bring blankets or chairs. While the show begins at 6:30, we'll meet at 5:30 because the best places to view the show are taken quickly. Bring a snack or appetizer to share. There are also

food trucks available. For more info: <http://www.TCriverrats.com>

Dakota Elder-Led Conversation about Inyan Sa July 27th

You are cordially invited to a protocol-guided conversation about the future relocation and final placement of Inyan Sa, a granite boulder of immense significance to generations of Dakota people of the local area. Please join us as we collectively visualize a site commendation offered by a respected body of Dakota elders. Help us negotiate a non-adversarial, non-political process to wisely arrive at a mediate consensus agreement regarding the permanent placement of Inyan Sa.

School Supply Drive

Starting next **Sunday, July 28 - Sunday, September 1**, we will have our annual school supply collection for Hiawatha and Howe schools. Suze Magoon will make reminder announcements at church during this period. As usual, we will have tubs just outside the worship space to collect your supplies for donation. It's great if you like to buy your own gifts for the kids, but for folks who don't like to shop, Phyllis Owen and Lynne Hendrickson have volunteered to shop for supplies. Please write checks for this purpose to Living Table with "school supplies" noted on your check.
