Ration Challenge

<https://my.rationchallengeusa.org/sanborne>

Please sponsor Erika! This is the Ration Challenge: Eat the same rations as a Syrian refugee living in a camp in Jordan in the week surrounding International Refugee Day, 16-23 June. She's taking on the Ration Challenge to show refugees that she's with them, not against them - and she'd be grateful if you could sponsor her! You'll help to provide food, medicine and education for Syrian refugees and support the ongoing work of Church World Service (CWS) to help vulnerable people rebuild their lives in safety.

Taking Heart Open Houses

Taking Heart Open Houses is a long-running program coordinated by the Minnesota Council of Churches (MCC) and the Muslim American Society of Minnesota (MAS-MN) to bring Christians and members of other faith communities together with Muslims for food and conversation during Ramadan. Minnesota mosques and Islamic community centers welcome their non-Muslim neighbors for a traditional Iftar, inviting a time of encounter and learning. In 2018, Taking Heart saw more than 1,100 non-Muslims attend Open House Iftar dinners along with their Muslim neighbors.

Please use <http://bit.ly/TakingHeartRegister> to learn more about Taking Heart. Registration is now open so you can sign up for one or more events. Currently there are 15 Iftars from which to choose; as more mosques sign up to host, their gatherings will be added to the registration page.

Bring a friend and learn more about your Muslim neighbors as they are learning about you! These events are free and open to the public.

If you have any questions, please contact **the Rev. Cynthia Bronson Sweigert** at revcbs11@gmail.com

Church Women United Friendship Day

It is time for our annual CWU May Friendship Day. St. Paul is hosting on Sat, May 18, from 10 am to 1:30 pm at Interfaith Action, 1671 Summit Avenue in St. Paul. The theme is "The Time is Now: Agree to Differ" based on John 4:23. The cost is \$12, which includes a light lunch.

Do You Know How to Intervene to Save a Life?

There will be free, hands-on training after worship on May 19th covering how to stop traumatic bleeds, use an AED, do hands-only CPR, and identify a stroke. All of these techniques are designed for non-medical people to use. This offering is part of a nation-wide initiative to have everyone in the country learn these skills. If you have questions, please contact Sandy Saline.

Volunteers Wanted

Hiawatha Howe has two events coming up that they could use some help with. Fiesta May 16th 4-8 and Field Day May 31 8:40-12. Thank you for all your community support!

This event needs a lot of volunteers, and the school is hoping that you can pitch in. Ideally, they will have at least one volunteer from each group (food, activities, raffle, silent auction, etc.) signed up for each individual shift (set-up, two event shifts, and clean-up). That way, someone from their coordinating group will be available to answer questions at all times, and everyone will still have a portion of the event to enjoy with their family and friends.
